Call for Recruitment: Medical Doctor (Gynecologist)

About the Berine and Bokwe Foundation

The Berine and Bokwe Foundation (BEBOF), established in May 2017, is a registered non-profit organization led by women, for women. It dedicates its efforts to supporting and empowering abandoned widows, orphans, internally displaced persons (IDPs), and underprivileged individuals. With a mission rooted in hope, empowerment, and community support, BEBOF focuses on economic, social, and financial empowerment, specifically targeting widows, young girls, orphans, and IDPs.(For More information, see <https://bebof.org/>)

Summary

The Berine & Bokwe Foundation is pleased to announce an exciting opportunity for a dedicated Medical Doctor specializing in Gynecology to join our Team.

Location: Match Community, South West Region, Cameroon

Duration: 4 Months

Main Tasks and Responsibilities

- i. Develop a Manual for Training of Unskilled Midwives
- ii. Provide high-quality gynecological and obstetric care to pregnant women, including prenatal, antenatal, and postnatal services.
- iii. Perform and interpret diagnostic tests and procedures.
- iv. Manage high-risk pregnancies and complications, offering appropriate interventions.
- v. Conduct deliveries and provide surgical care when necessary.
- vi. Collaborate with community health workers to conduct awareness and outreach campaigns emphasizing the importance of antenatal care and safe delivery practices.
- vii. Train traditional birth attendants alongside the project team to improve local care quality.

- viii. Contribute to the innovation's continuous improvement, ensuring the mobile clinic's services adapt to the evolving needs of the community.
- ix. Stay abreast of the latest developments in maternal health care and integrate best practices into service delivery.
- x. Engage with stakeholders, including local health authorities and community leaders, to foster a supportive environment for maternal health improvement.

Qualifications

- Medical degree with specialization in Gynecology.
- Valid medical license to practice in Cameroon or the ability to obtain one.
- Minimum of 3 years of experience in obstetrics and gynecology, preferably in rural or conflict-affected areas.
- Demonstrated commitment to improving maternal health and reducing maternal mortality.
- Excellent communication and interpersonal skills, with the ability to work effectively in a multi-disciplinary team.
- Fluency in English; proficiency in 1 local language of the South West Region is highly desirable.

The Berine & Bokwe Foundation is committed to creating an inclusive environment and is proud to be an equal opportunity employer. All qualified applicants will receive consideration without regard to race, color, religion, gender, national origin, or disability status.

How to Apply
